Pay me, — oh pay me, — pay me my

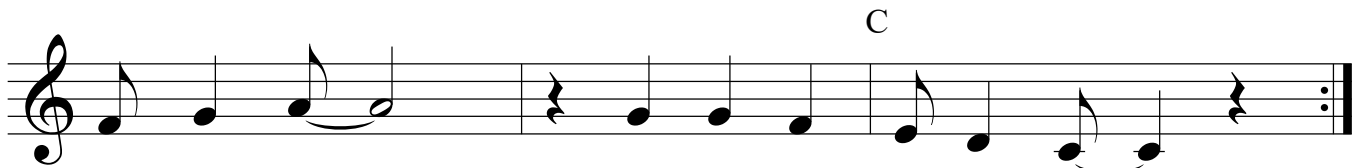

mon-ey down, Pay me or go to jail, — pay me my

mon-ey down. I thought I heard the cap - tain say, —
As soon the boat had cleared the bar, —
And if I'd been a rich man's son, —

"Pay me my mon-ey down. To - mor - row is our
"Pay me my mon-ey down." The cap - tain knocked me
"Pay me my mon-ey down." I'd sit by the river and

sail - ing day, — Pay me my mon-ey down.
with a spar, — "Pay me my mon-ey down."
watch it run, — "Pay me my mon-ey down."
